With the Educational Search Tool Voted #1 for School Use

Now with Award-Winning Content from Weekly Reader!

Upgrade Your netTrekker d.i. Subscription Today!

Weekly Reader Express is a new collection of age-appropriate K-12 articles and resources that teachers and students have loved and trusted for years, now available in a digital format and delivered conveniently through your netTrekker d.i. search results.

Adding Weekly Reader Express to your netTrekker d.i. subscription offers your school and district an additional 7,000+ K-12 resources that...

- Promote literacy skills such as reading comprehension
  - Develop critical-thinking skills
  - Spark curiosity about the world around us
  - Build general knowledge
  - Help with lesson planning
- ...and even more resources will be added every quarter!

All Weekly Reader Express content is written by experts who know children and how they learn so it's a wonderful supplement to support your efforts in the classroom. This exciting addition is just one more way to provide you with the tools to inspire learning and success!
